Thank you for your enquiry regarding the National Register of Public Service Interpreters (NRPSI).

The NRPSI is a register of professional UK Public Service Interpreters who are **qualified and/or experienced** in one or all of three main fields: Law, Health or Local Government.

Interpreters on the NRPSI operate on a self-employed basis and are contacted direct by the public service providers (e.g. Police, Courts, NHS Trusts) or intermediaries that the public service may work through, who subscribe to the NRPSI.

The interpreters on the NRPSI are bound by a code of conduct. You will need to read this before signing your application form.

Please ensure you have read the criteria for entry before submitting your application.

If you do not meet the criteria and wish to obtain a Public Service Interpreting qualification, please contact:

- IoL Educational Trust on 020 7940 3163 for information on the Diploma in Public Service Interpreting (DPSI).
- IoL Language Service Ltd on 020 7940 3165 or 3167 for information on the Metropolitan Police Test.

On application, you must submit a cheque for **£50.00** (non-refundable administration fee) payable to NRPSI Ltd, with your application form. Once your application has been accepted we will contact you to request the balance of your first year's Registration Fee (please see the fee insert for details).

Please contact the office if you wish to register for additional languages. Please note that the minimum entry requirements apply to **all** languages that you wish to register.
